Precision Balances 1mg
IBP-1600(240V)

Precision Balances 1mg IBP-1600 feature weighing capacities of 20 mg - 300 g and readabilities of 0.001g. Our Precision Balances are designed for pharmaceutical, laboratory and regulated weighing in a variety of cell and tissue culture facilities that require the highest accuracy in precision weighing processes.

Iris precision balances are designed for routine weighing applications in your workplace, offering accuracy and repeatability during essential weighing applications in education, laboratory and, industrial sector. Iris precision balances deliver competitive performance at an economical price, featuring RS232 connectivity for easy communication, and a backlit display and a simple interface for uncomplicated operation, these balances are perfectly designed for your workplace.

Standard features include Basic functionality for routine weighing applications. Iris precision balances feature three essential weighing modes, RS232 connectivity for data transfer and storage and internal calibration (in selected models) making them ideal for routine weighing applications.

Designed for uncomplicated operation with easy-to-use display and interface Equipped with an easy-to-read, bright backlit display and a simple user interface, they are incredibly easy to operate, with almost no training required.

Smart design and durable construction Iris precision balances have a small footprint which saves on benchtop space while providing a large weighing surface. They are durably constructed, and feature a stainless-steel pan to withstand day-to-day use in the workplace

Technical Specification:

Model	IBP-1600(240V)
Capacity	20 mg - 300 g
Repeatability	±0.02 g
Resolution	0.001 g
Display	LCD
Pan Dimensions	90 mm
Construction Material	Plastic Housing, Stainless Steel Platter
Linearity	±0.03 g
Measuring Parameters	g/kg/ct/T/TAR/dr/PKT/GN/TMR/gsm/tlJ/mo/dwt/oz/lb/tlT/ozt/tlH/%
Working Temperature	15 to 40°C
Stabilization Time	2-3 seconds
Dimensions	280x220x140 mm
Net Weight	11 kg
Electrical Requirements	AC240V
Catalogue No.	680601502
